PERSONAL WATERCRAFT RENTAL AGREEMENT

Gonchar Group LLC d/b/a Jet Ski Miami 7

1. RENTAL DETAILS. The booking summary, named renter, date of birth, contact address, complete onboard roster, assigned watercraft, rental start and scheduled return, return location, price and payments recorded with this agreement identify this rental. Additional operators must be identified and approved by staff. No unlisted person may board or operate. Each vessel must remain within its manufacturer-rated capacity. Equipment assignment and the actual return location must be confirmed before this agreement is signed.

2. ELIGIBILITY AND HANDOVER. The renter and each operator must meet the company's age policy displayed for this booking and all applicable Florida eligibility and boating education requirements. Bring government-issued photo identification and, when required, a valid boating education card, temporary certificate or other legally accepted evidence. A motor vehicle driver's license alone does not establish

boating education. Staff must verify eligibility, conduct the required instruction and on-water demonstration/check ride and complete the FWC attestation before departure.

3. **SAFE USE.** Use the watercraft only for the authorized rental and within the riding area and restrictions explained by staff. Follow navigation rules, posted speed and no-wake restrictions, manufacturer instructions, seating and capacity limits. Wear a properly fitted USCG-approved personal flotation device and wetsuit bottoms or equivalent protective clothing. Attach the engine cutoff lanyard as instructed. Do not operate while impaired. Do not transfer possession, race, tow another person or vessel, or enter a prohibited area. Stop and contact staff immediately if equipment, weather or the rider's condition becomes unsafe.

4. **INSURANCE DISCLOSURE.** The livery's commercial liability carrier is Prime Insurance Company, 8722 S. Harrison St., Sandy, UT 84070; policy SC26081483, stated period August 7, 2026 to August 7, 2027. The policy includes Florida Watercraft Rental Endorsement POG-99-57. That endorsement addresses specified claims against a Renter using a Scheduled Watercraft, subject to all policy terms, exclusions, limits and self-insured retention provisions. It defines a Renter as the person who signs the Named Insured's rental contract for use of a Scheduled Watercraft. This agreement does not enlarge insurance coverage or promise payment of a claim. The policy is not a promise to pay the rider's own medical bills or damage to the rented watercraft. Staff must verify current coverage and scheduled equipment before release of a vessel. No additional renter-insurance purchase or declination is represented by signing this agreement.

5. **PRICE, PAYMENT AND CANCELLATION.** The agreed price, amount already paid and balance are shown in the booking summary. A prepaid deposit is credited toward the price. No new fee or security hold is authorized unless its exact amount and terms have been disclosed and separately accepted. For a full refund, cancel at least 48 hours before the scheduled reservation. Arrive at least 30 minutes early for check-in and safety briefing. A late arrival resulting in a missed slot is a no-show. No-shows are non-refundable and may be charged the full reserved price under the terms accepted at booking, including failure to bring required documentation or arriving impaired. If the company cancels or ends a ride early for weather or safety, unused time is refunded or rescheduled without charge. Any rights required by applicable law remain available.

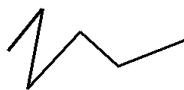

6. **CONDITION AND RETURN.** Inspect the watercraft with staff before departure and identify existing damage. Staff will record the vessel's condition before and after use. Return it at the scheduled time and location. Promptly report a collision, injury, damage, malfunction, grounding, loss or overdue return and follow emergency instructions. Call 911 for an emergency. A vessel overdue more than four hours after the contracted return time must be reported by the livery to law enforcement as required by Florida law. The company documents and assesses new damage using inspection evidence and reasonable repair evidence; ordinary wear is not damage. This clause authorizes no undisclosed automatic charge.

7. **COMMERCIAL AGREEMENT; SEPARATE RELEASE.** This is the rental contract. It contains no participant injury release, no additional assumption-of-risk release and no agreement to alter or limit the separate Prime participant/guardian form. Each applicable Prime form is presented and signed as its own instrument. Nothing here eliminates a statutory safety duty, excuses unlawful conduct, or overrides nonwaivable rights. Amendments to the rental details require a new version and renewed acceptance; previously signed versions remain in the record.

8. **ACCEPTANCE.** By signing this agreement personally, I accept the stated commercial rental terms and confirm that the identity and roster information associated with my signature is accurate. An operator who signs as a co-renter accepts these same rental terms for the assigned watercraft; that label does not

guarantee that an insurer will treat any person as covered.

Signature

A handwritten signature in black ink, consisting of a series of connected, angular strokes that form a stylized, abstract shape.

Signed by Alex Example | UTC 2026-09-10T14:50:00+00:00

Electronic signing certificate

This certificate records the electronic signing event. It adds no terms to the signed instrument.
